

Quality Asphalt Pavement Awards Program (non-TxDOT)

How To Use This Form: This is a fillable PDF form. Please download the file to your computer, fill it out, save the information you entered, and then attach the completed document and any additional documentation to an email. If you would prefer, you may print and write on this form to make your submission via U.S. Mail. If you have any questions, please [contact us](#).

The Quality Asphalt Pavement Awards Program (non-TxDOT) recognizes TXAPA members for quality built Hot Mix Asphalt (HMA) pavements in the following categories:

- Large Airport: Project On Any Airport Over 15,000 Tons
- Small Airport: Project On Any Airport Under 15,000 Tons
- City Streets
- County Roads
- Parking Lots: Any Project No Tonnage Limit

The awards program was established to honor individuals and firms excelling in production, placement, and quality assurance on HMA projects. Often, quality projects and the people responsible are not recognized or given the amount of credit they deserve. This program is designed to support and acknowledge our contractors, and most importantly the individuals who constructed the quality built HMA project. We urge all TXAPA members to review HMA pavement projects they completed during the past calendar year for consideration. We encourage you to nominate at least one project.

The Quality Asphalt Pavement Awards are open to all Texas Asphalt Pavement Association members. A member may nominate more than one HMA project for award consideration. TXAPA members are also eligible to win more than one award.

Please note that TxDOT projects are not eligible for this award. If you would like to nominate a TxDOT project, please visit texasasphalt.org/txdot-txapa-awards to retrieve the appropriate form.

Nomination Form

1. PROJECT DESCRIPTION

Owner Contact Name:

Phone:

Owner Address:

City:

State:
