

# Texas Asphalt Pavement Association Scholarship Program (TXAPA-SP)

February 6, 2018

The Texas Asphalt Pavement Association Scholarship Program is now accepting applications from Texas residents who are employees or dependents of TXAPA members, nominated by a university, or recommended by a TxDOT representative. This year there will be a total of ten (10) scholarships available in the amount of \$5,000 each distributed in \$2,500 increments for the fall and spring semesters. Selection criteria include academic performance, financial need, and field of study with an emphasis on asphalt and construction-related degree programs.

TXAPA is most interested in students who have demonstrated an interest in the asphalt and construction industries through their choice of summer or part-time employment. To qualify for a TXAPA Scholarship, a student must attend an accredited college or university in the State of Texas, have attained a class standing of at least sophomore level, and be pursuing a career in the asphalt industry. Grade point average is not a significant factor provided the applicant is a solid and consistent student. Scholarships are awarded each semester for a maximum of three years. Recipients are responsible for submitting enrollment verification and GPA information each semester to remain eligible.

The application form must be completed and returned to TXAPA by April 10, 2018. The TXAPA Board of Directors will review applications and award scholarships on April 17, 2018. TXAPA will notify all recipients immediately afterward. TXAPA members are encouraged to share the scholarship application with their employees. Employees and their dependents are eligible for consideration.

## PLEASE MAIL OR EMAIL THE COMPLETED FORM TO:

Texas Asphalt Pavement Association  
P.O. Box 1468  
Buda, TX 78610
